Today you will...

- Pick up: Science vs. Pseudoscience-glue to ISN pg 13 & clicker assigned to you (look at wall)
- 1st Quiz!
- Using a computer, complete the WS
- If you believe yourself to be capable of improvement, believe that your mind can learn, can become better, can overcome setbacks, you are setting yourself—and your brain—up for exactly that path. And if you don't? You may find yourself living in a kind of self-fulfilling prophesy.
