Pick Up: ■ none

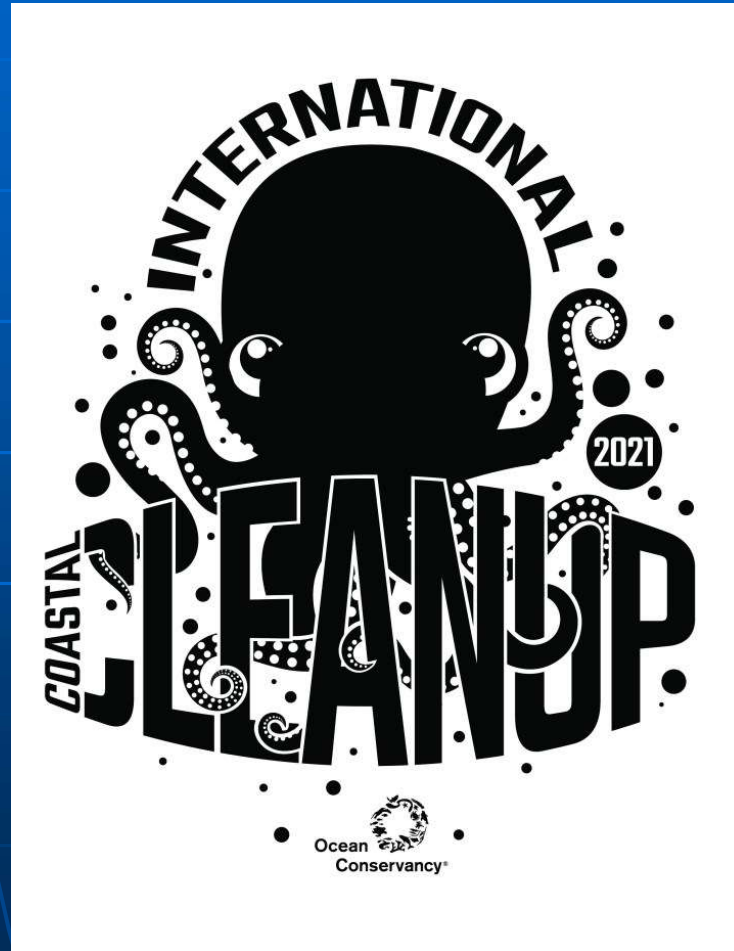

Today
you
will:

- Quiz-Scientific Process
 - Experimental Design-Variables
 - Graphing
- Watch CBS This Morning on the Decreasing Oyster Crisis
- Catch up! Get all your work done.

Focus on the learning, not the grade!

International Coastal Clean Up

Saturday, Sept 18, 2021

Would You Rather?

- Sail solo around the world
- Or
- Go solo to the bottom of the Mariana Trench in a submersible?

When finished with Quiz

Stay silent & on task

- Flip your paper over, I will come pick it up
- Open iPad and go to www.nsbscience.weebly.com- Marine Science
- Open ppt from Wed, Sept 8
- Complete your Cornell Notes on ISN pg 19 so we can quickly finish tomorrow.
