

Attitude is Everything!

Wed, Sept 7, 2016

Pick up: Clicker (look for # by your name on wall)

Today you will:

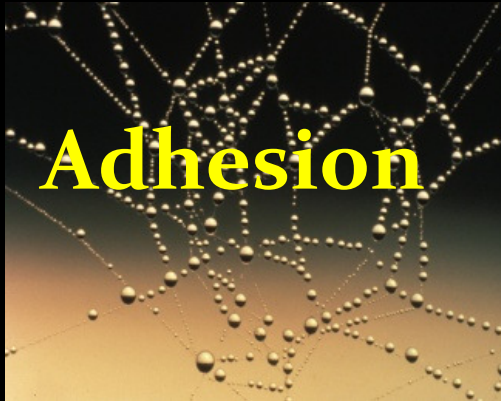

1. Pass your quiz on Water
2. Get ISN pg 15 recorded & ISN pg 21 stamped
3. Carbon Cornell Notes on ISN pg 24

Homework/Planner:

Complete Carbon CN & Mark the Text ISN pg 25/27

Please make sure your phones are in your bags

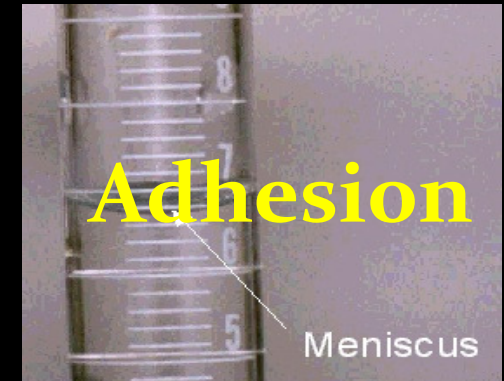

PART 1 Matching Pics

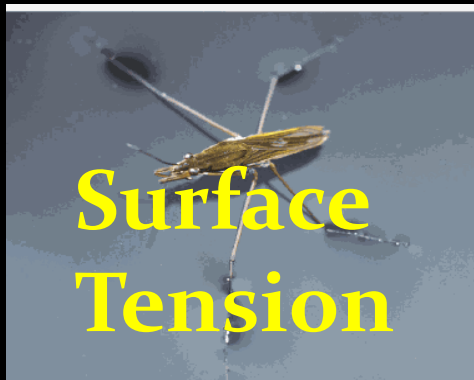

#1 Water on a web

#2 Water sticking to itself forming droplets

#4 Water sticking to side of tube

#3 Bug walking on water

#5 Process of the Water being soaked up paper towel

PART 2 Matching Pics, cont

**Thermal
Stability =
Homeostasis**

#6 Dog panting

**Surface
Tension**

**#8 Paper clips
floating on water**

**Capillary
Action**

**#7 Water moving
up plant roots**

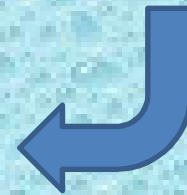

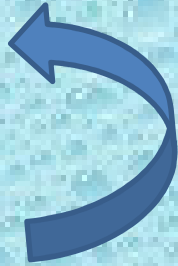

**Universal
Solvent**

**#9 Water covers
most of the earth**

Quiz Instructions

Blue Version A= #1
Pink Version B= #2

- Work SILENTLY until EVERYONE is done
- Please write ALL your answers on your quiz
- Write your name!
- Erase Enter-press after EVERY answer

- When finished:
 - power down clicker, return to bag
 - Bring quiz to my desk
 - Complete Carbon Cornell Notes & Mark the text
ISN pgs 25/27 for HOMEWORK!
